To Whom It May Concern:

I am writing in regards to the proposed time change for Mercer County in North Dakota. As the manager of a business in our community I deal with companies on Central Time on a daily basis. Because of the time difference I spend a lot of time playing phone tag. Also most of the companies are closed by 3:30 PM our time so after that I cannot reach anyone until the next day. Because of this there is a lot of time wasted, which I could use, doing other things.

I would be in favor of changing the time to Central for the reasons listed above. Thank you.

Sincerely,

Michael R. Just
